Hello St. Mary Families,

Field Day is Thursday, May 25th! Here are few things you need to know about that day:

- Please apply sunscreen on your child before drop off as they will be outside all day.
- Students should wear quick dry shorts, the field day t-shirt (or tie dye shirts for 2nd grade), and quick dry athletic-style shorts or swim trunks. Girls are encouraged to wear swimsuits under their shirts and shorts. Swimsuits should be modest one pieces or tankinis.
- Students should wear sturdy, waterproof shoes that can get wet and they can run in. Chaco's, Texas, etc. work well or even an old pair of tennis shoes that you don't mind getting wet/dirty. Slides/flip-flops are not a good choice, as they don't stay on while the kids run.
- Send a towel with your student and label it with their name.

Field Day shirts will be sent home on Friday, May 19th, so please make sure to check backpacks for them. We highly recommend you label your child's Field Day shirt!

A few reminders:

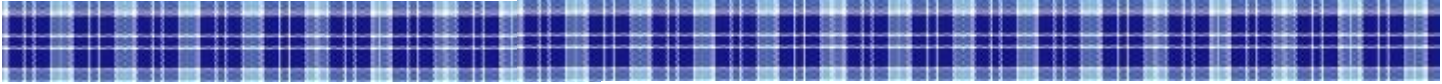

- If you ordered a shirt for yourself, it will be sent home with the child you indicated it to be delivered through on your order form.
- 2nd graders always have a blast tie-dyeing shirts with Mrs. Bloomfield. However, if you ordered a shirt for yourself and indicated it should be sent home with your 2nd grader, you'll still want to check their backpack on Friday evening to retrieve it.
- We have a very limited inventory of extra shirts on hand. If you didn't purchase one but would like to, please reach out with your size preference and we will let you know if we have one available in that size for purchase.
- If you have concerns on fit for your child's shirt and wish to attempt to swap it for another size, please reach out and we'll happily do what we can with the inventory we have.

Let us know if you have questions. We're excited to send your kiddos home tired, maybe a little dirty, and filled to the brim with wonderful memories next week!
