

Please take a minute to read the following information concerning HB 1934, Oklahoma Parental Choice Tax Credit Act. Mrs. Nelson will send out information specific to the School of Saint Mary later today.

Tax Credit Amount and Priority Status

For this year's applications, families are eligible for tax credits based on their Adjusted Gross Income (AGI) on their 2022 federal income tax return.

All families are eligible to apply for tax credits, but those families with an AGI of \$150,000 or less will be considered priority and be given access to funds first.

<u>Family Income</u>	<u>Tax Credit Availability</u>	<u>Priority or Not</u>
\$0-\$75,000	\$7,500 per child per year	Priority Group
\$75,001-\$150,000	\$7,000 per child per year	Priority Group
\$150,001-\$225,000	\$6,500 per child per year	Not a Priority Group
\$225,001-\$250,000	\$6,000 per child per year	Not a Priority Group
Over \$250,000	\$5,000 per child per year	Not a Priority Group

Things You Will Need Ready to Apply

An Enrollment Verification Form from the School of Saint Mary

A copy of your 2022 Oklahoma Income Tax Return

The name, address, and social security or individual taxpayer identification number (ITIN) of the taxpayer

The name, address, date of birth, and social security number or individual taxpayer identification number (ITIN) of the eligible student(s)

The name and address of the eligible student's parent(s) or legal guardians(s), if different from the taxpayer

Frequently Asked Questions:

I don't fit in the Priority category, should I even apply?

Yes. While the tax credit will be given first to families in the priority groups, it is possible that there will be remaining funds for those outside of the priority groups. It is important for families outside of the priority groups to apply as soon as the portal opens as the applications from families not in the priority groups will be processed on a first come first served basis.

When and how will the checks come from the Oklahoma Tax Commission?

The tax credit checks will be delivered to the school, and the school will contact families at that time with information on what process to follow. The OTC has not yet provided us with a timeline for these checks.

Can I change my Facts billing schedule in anticipation of receiving the tax credit check?

Unfortunately, no. The billing schedule will remain the same. Any payments due for the spring semester will continue to be due on their original dates.

The School of St. Mary exists to carry out the educational mission of the Church
by teaching children to live, love, learn and walk with God.
