All families must create an online FACTS account for tuition collection

- A service fee is assessed by FACTS according to the Tuition Payment Plan you select.
- Additional fees may be charged by FACTS for insufficient funds and credit card convenience.

There is a \$125 enrollment fee per family that does not apply to tuition. This fee is payable at time of enrollment and is non-refundable.

New families must pay a tuition deposit calculated per child based on part-time or full-time enrollment. \$300 per child enrolled part-time or \$600 per child enrolled full-time. The deposit will be credited toward the annual tuition cost via the FACTS portal. It is non-refundable if a family chooses not to have their child attend school.

A Home and School fee of \$50 per family is assessed in July through FACTS tuition payment system.

Most supplies are included with the tuition payment except for wipes, tissues and gloves.

All students must have a rest-time mat (available for purchase at Registration).

Developmental assessment is available for an additional fee.

Hot lunch and cartons of milk may be purchased, as well as pizza once a month.

If a family is transferred from the Tulsa area, they will be eligible for a refund of tuition paid and not used. Those entering the program after the school year has begun will have the tuition calculated on a prorated basis.
