A Note from Mr. Lewis...

It's been two and a half great weeks already of our students and faculty being their Best, Supportive, and Generous in their learning and playing here at School already.

Tax Credit Checks are available for pickup in the office. Please refer to the email sent at 4:00pm on Thursday, August 27th for more information.

As you pack your child's lunch, please do not send food that requires over a minute of heating--this results in crowded microwave lines and limited time for your child to eat. For food such as Ramen noodles, please consider cooking at home and sending in a Thermos. Any food to be warmed in a minute or under should be sent in a microwavable container.

Enjoy your weekend!

Home & School Meeting

We will have important Home & School business to cover, so this meeting may run a little longer than our average gathering. We also want to encourage conversation and community. BYOB cocktail or mocktail + conversation encouraged!

Come early to sip, mingle, and catch up with fellow parents, or stick around afterward for a little more conversation and community. Think of it as part meeting, part parent happy hour!

Bring your favorite drink, bring a friend, and come ready to connect.

We recognize that this is the same date and time as the Online Safety Talk at All Saints. We looked into changing our date, but found it too difficult. If you go to this instead, please take notes and report back to us at our next Home & School Association Meeting on Tuesday, October 6.
