A Note from Mr. Lewis...

We are over 10% completed with the school year! After school enrichment begins next week, which marks a major point in the development of the Strategic Plan. Thank you to all who worked tirelessly to create the conditions to make such an initiative possible.

Policy Clarification: All smart watches, even if on an 'off' or 'school-mode', are not permitted to be worn or in student possession during the school day. This applies to students of all grade levels. Any watches with smart capabilities are treated as Cell Phones, which are confiscated during the school day and held in the office for a parent or guardian to reclaim. Meta Glasses, or any kind of fixture that has recording or 'smart' capabilities, are also not permitted and will be subject to the same procedure.

Enjoy this long weekend and stay cool during the heat.

PARENT/TEACHER CONFERENCES

Thursday, September 17 (4:00 pm – 7:45 pm)

Friday, September 18 (8:00 am – 11:45 am)

K-5 parents may schedule a conference with their student's homeroom teacher by completing this form and returning it to the school office by **8:00am Tuesday, September 8th**. Homeroom teacher conferences times will be in the **September 11th FYI**.

Parents of students in grades 6-8 (and parents of K-5 students who would like a conference with a teacher who is not their student's homeroom teacher) may sign up for conferences beginning at **7:45am on Friday, September 11th**, on the middle school conference form outside the Health Room. The form will be outside the Health Room all subsequent days and will be picked up **Wednesday, September 16th at 3:15pm**.

No conferences will be scheduled by phone.

It is very valuable for students in grades 6-8 to attend conferences with their parents.
